

Reminder Class Lunch Oct 26 Aberfoyle Mill Restaurant

Hi guys,

We want to remind you of the class lunch coming up on Oct 26 at the Aberfoyle Mill Restaurant (80 Brock Road South, Puslinch, ON N1H 6H9, One Mile North of 401). Can you please let us know if you will be attending, we need to get a head count for the restaurant.

Looking forward to seeing you there!!

Also, Bob Taylor advises that on the afternoon of Oct 26, staff at the UofW have offered him a tour of the engineering buildings along with a meet and greet with the Dean of Engineering. If you missed last year's UofW reunion you also missed the tour and if you haven't been back to the University in a while you might be pleasantly surprised by all the changes and upgrades!!

Anyone interested please let us know so Bob can get a head count asap.

Update regarding reunion

Hi guys,

We are still working up the details regarding next year's reunion and will get back to you soon on that. In the meantime, here are a few class updates for you.

Al Soligo and Vic Shantora paid a visit to Aldo Donnarumma in July. Aldo is enjoying retirement living in a very pleasant gated community in Wilmington, North Carolina just a stone's throw from the ocean! Picture attached, see if you can figure out who's who. **NOTE:** '3 old farts trying to figure out how to take a selfie', **WILL NOT** be considered an acceptable answer!!

Ken Rossel recently had lunch with Bob Paxton in Montreal. Bob continues to ply his profession as church organist in Montreal, as he has done for many years (picture attached).

Kelly Wilson lives in Mahone Bay, Nova Scotia where he is currently Town Councillor and is seeking the Mayor's job in elections coming up later this month. Good Luck Kelly!!
